

If you are planning on wandering around Tin Hau, make a point to stop by **Savoie** (Shop A G/F Hon Man Mansion, 9-11 Wing Hing Street, Tin Hau, 2503 3222), a new restaurant serving French cuisine. Owner and manager Terry Chan was an architecture student inspired by the Villa Savoye in Poissy, France to design a restaurant with large windows and high ceilings. The interior of the restaurant has an almost rustic feel, but with its leather chairs and long sofa benches has just the right amount of modern touches. Next door is Villa, their spa: Chan had the idea of opening a combination spa and restaurant when vacationing in Thailand, where a similar venue allowed him to enjoy a relaxing massage followed by a fine meal.
